"We delivered record revenue and profit in fiscal 2017 as we continue to aggressively execute our multi-platform growth strategies, including rapid expansion of our highly profitable digital activities," said Meredith Chairman and CEO Stephen M. - Excluding special items in both periods, earnings per share grew to \$4.00, an increase of more than 20 percent. *(See Tables 1-5 for supplemental disclosures regarding non-GAAP financial measures.)*

"We expanded our audience across media platforms and launched new products to strengthen our competitive position with Millennial consumers and advertisers wanting to reach them," said Meredith President and COO Tom Harty. "We continued to deliver double-digit gains in digital advertising revenue, which offset print declines on a comparable basis. Additionally, we generated a record \$63 million of political advertising revenues and increased net retransmission contribution."

### FISCAL 2017 FULL-YEAR REVIEW

Meredith continued to aggressively execute a series of **well-defined strategic initiatives** in fiscal 2017 to generate growth in revenue and operating profit, and increase shareholder value over time. These included:

- **Increasing Meredith's powerful consumer connection** - Consumer engagement expanded across Meredith's media platforms, including magazine readership, digital and mobile traffic and sales of branded product at retail.
- **Rapidly growing digital, mobile, video and social platforms** - Total Company digital advertising revenues grew 20 percent. National Media Group digital advertising increased more than 20 percent and represented more than 30 percent of its total advertising. Local Media Group digital advertising rose more than 15 percent. Traffic across Meredith's digital properties averaged 86 million unique visitors per month, an increase of 8 percent over the prior year.
- **Generating record political advertising revenues** - Meredith's television stations generated

\$63 million of political advertising revenues, an increase of 43 percent compared to the fiscal 2015 election cycle.

- **Expanding Meredith's media portfolio:**

- In its **Local Media Group**, Meredith acquired Peachtree TV (WPCH) in Atlanta, the nation's 10th largest market. With WPCH, Meredith created its fifth owned-and-operated duopoly. To further strengthen its competitive position, Meredith added newscasts in Atlanta, Phoenix, Portland, Nashville, Greenville and Flint/Saginaw.
- In its **National Media Group**, Meredith launched *The Magnolia Journal*, an extension of Joanna and Chip Gaines' popular Magnolia brand. It quickly became the strongest-selling newsstand title in Meredith's recent history and is currently selling more than 900,000 copies of each issue.

- **Successful renewal of key strategic agreements:**

- In its **Local Media Group**, Meredith renewed its CBS affiliation agreements for its stations in Atlanta, Phoenix, Kansas City and Flint/Saginaw into fiscal 2021. It also extended its FOX agreements in Portland, Las Vegas, Greenville, Mobile and Springfield into fiscal 2019.
- In its **National Media Group**, Meredith renewed its licensing program with Walmart. This program features more than 3,000 SKUs of Better Homes & Gardens branded products at 5,000 Walmart stores and on walmart.com. In addition, Meredith launched several new brand licensing programs, including a very well-received EatingWell line of frozen entrées and a Shape line of apparel for women.

- **Successful execution of its TSR strategy** - Meredith generated TSR of 18 percent in Fiscal 2017. Meredith increased its dividend by 5.1 percent to \$2.08 per share on an annualized basis, its 24th consecutive year of dividend growth. The dividend is currently yielding approximately 3.5 percent.

## OPERATING GROUP DETAIL

### LOCAL MEDIA GROUP

Meredith's Local Media Group includes 17 television stations reaching 11 percent of households. Meredith's portfolio is concentrated in large, fast-growing markets, including seven stations in the nation's Top 25 markets and 13 in the Top 50. Meredith's stations produce 700 hours of highly profitable local news and entertainment content each week. Meredith expects to continue to grow its Local Media Group organically and through strategic acquisitions.

Fiscal 2017 Local Media Group operating profit grew 36 percent to \$215 million and EBITDA increased 27 percent to \$250 million, compared to the prior year. Revenues increased 15 percent to \$630 million. All represented record highs. (See Tables 1-5 for supplemental disclosures regarding non-GAAP financial measures.)

Looking more closely at fiscal 2017 performance compared to the prior year:

- Total advertising revenues grew 7 percent to a record \$414 million, driven by strong demand for political advertising.
- Political advertising revenues were \$63 million, with Meredith generating significant revenues from stations in the Las Vegas, St. Louis, Phoenix, Kansas City and Atlanta markets.
- Non-political advertising revenues were \$352 million, compared to \$374 million, due primarily to political advertising displacement, the Super Bowl moving to FOX from CBS and the Summer Olympic games on NBC.
- Digital advertising revenues grew more than 15 percent. Meredith relaunched all of the mobile news, weather and traffic apps across its station group, yielding record app opens and unique page views.
- Other revenues and operating expenses increased, primarily due to growth in retransmission revenues from cable and satellite television operators, partially offset by higher programming fees paid to affiliated networks.

Turning to ratings, Meredith delivered strong performance during the May rating period. Meredith stations in 10 of its 12 markets ranked No. 1 or No. 2 in morning or late news, and Meredith stations in six of its markets were No. 1 or No. 2 from sign-on to sign-off.

## **RATIONALE FOR USE AND ACCESS TO NON-GAAP RESULTS**

Management uses and presents GAAP and non-GAAP results to evaluate and communicate its performance. Non-GAAP measures should not be construed as alternatives to GAAP measures. EBITDA, adjusted EBITDA, EBITDA margin and adjusted EBITDA margin are common supplemental measures of performance used by investors and financial analysts. Management believes that EBITDA provides an additional analytical tool to clarify the Company's results from core operations and delineate underlying trends. Management does not use EBITDA as a measure of liquidity or funds available for management's discretionary use because it includes certain contractual and non-discretionary expenditures. Adjusted EBITDA is defined as EBITDA before special items.

Results excluding special items are supplemental non-GAAP financial measures. While these adjusted results are not a substitute for reported results under GAAP, management believes this information is useful as an aid in further understanding Meredith's current performance, performance trends and financial condition. Reconciliations of non-GAAP to GAAP measures are attached to this press release and available at [meredith.com](http://meredith.com).

Statements in this release that are forward-looking include, but are not limited to, the Company's revenue and earnings-per-share outlook for first quarter and full-year fiscal 2018.
