One of the brand's most beloved franchises, this year's *Bellos* issue is honoring celebrities whose beauty extends beyond the physical through their philanthropy, social & political activism, charity, community service and more - from the worlds of music, movies, television and fashion. Notables from the list include: rapper/producer **Daddy Yankee**, actress **Eva Longoria**, model and actress **Elsa Pataky** and singer and actor **Ricky Martin**, among others.

"And the causes that are near and dear to my heart, I like to talk about mental health because it's something that I've struggled with in the past... and the more you talk about it, the more people feel comfortable speaking out and asking for help."
