Highlights from the *Poderosas Virtual Conference* include:

(September 19, 2020)

- **Stronger Together: Family Resilience During The Pandemic:** Working moms will share their new family dynamics in the midst of COVID 19 and reveal how the pandemic has redefined their work/life balance, as well as the social and academic effects that home learning has had on their children. They will also discuss new resources available for parents to tackle this "new normal."
- **Transform Your Life With Mindful Meditation:** Experts will share the numerous and impressive advantages of meditation. This panel will help participants discover all the benefits of a millenary practice that, without imposing major changes in the routine, will open a wonderful and profound path towards true transformation. Plus, participants will enjoy an exclusive guided meditation session, created just for them at the end of the panel.
- **Regain Control Of Your Finances And Transform Your Business:** Experts will share their secrets to overcoming a financial crisis. Participants will discover how to turn hardship into opportunities, how to regain control of their finances and steps that will help them start or

reinvent their business successfully.

(September 26, 2020)

- **Culture Of Inclusion: Opening The Way For Diversity In The Workplace:** Successful Latinas will discuss the impact that the BLM movement is having in their careers and everyday life. The panel will explore how the culture of inclusion in big corporations is changing, the effects that this movement is having within our community, and the possible opportunities it could bring for job growth and career advancement.
- **The Latina Vote And The Census: Your Voice Matters, Make Yourself Count!:** In celebration of the 100th anniversary of women's suffrage, influential Latinas will discuss how exercising their right to vote and participating in the 2020 U.S. Census can affect the lives of all women in terms of pay equality, entrepreneurship, career opportunities, and healthcare.
- **Pivoting during the pandemic: Build, launch and promote your business today!** Participants will have the opportunity to take control of their financial future by removing the mystery behind launching their own business. The panel will provide the tools to build a website, sell online, create social media outlets and craft a winning presentation of services and products so participants will be ready to hustle, sell and grow!
- **Corporations and the government love small business: Hacks to sell to both:** This panel will teach participants on how to leverage their community tools to grow. They will get to know the organizations, certifications, programs, education, access to funding, contests, grants and even potential partners that are available to help them grow their revenue.
- **Restart & Reinvent your life in 30 days:** Despierta America's career expert Zulmarie Padin will have a conversation for participants to learn the steps they can take today to restart and reinvent their life (career or else) in 30 days. As the pandemic cancelled many things, it didn't cancel the desire to grow and succeed. Zulmarie has been helping women reboot, restart, and reinvent their lives to create a life they love.
- **Mindset Believe & Create:** This panel will discuss the winning mindset used to believe and create. Different strategies will be shared on how to achieve successful results through a process of visualization and building concrete action plans that are certainly key to the development of today's professional and entrepreneurial woman.
- **Be A Vote Leader:** The COVID-19 pandemic has uprooted the way we live, and this year, the way we vote. As the election approaches, now is the time to lead voters and make sure they have the information they need to safely participate in elections this fall. Participants will hear from the League of Women Voters how organizing has adjusted in the digital space and how participants can take action to ensure voters are able to cast their ballots on or before November 3.
- **The Road To Entrepreneurship: The 3 Most Important Steps To Take On Your Startup Journey:** Owning a business can be an exciting and lucrative proposition, especially in our current economy. But a journey into new territory can be filled with uncertainty and risk. To ensure that participants take business advance safely, Attorney Evelyn I. Suero will reveal three steps every business owner should take.
