

REAL SIMPLE Reveals Winners of the 2021 Smart Money Awards

Third Annual Smart Money Awards Highlight 26 Expert-Vetted, Game-Changing Apps, Accounts, and Services to Help Women Achieve Financial Success

NEW YORK, Aug. 19, 2021 /PRNewswire/ -- **Meredith Corporation's** (NYSE: MDP) **REAL SIMPLE** unveiled its third annual Smart Money Awards to help women make the most out of their money, investments, and time. Featured in the September issue and online now at REALSIMPLE.com/moneyawards, the REAL SIMPLE 2021 Smart Money Awards spotlight the 26 best new innovative apps, accounts, and services for budgeting, retirement, real estate, shopping, and more.

To address the pandemic's effect on women and families, this year's Smart Money Awards are applicable to more financial situations than ever before, including top tools for small-business owners, caregivers handling loved ones' expenses, first-time homeowners, and more. To create the awards, REAL SIMPLE editors compiled a list of financial companies whose products debuted or were updated between January 2020 and June 2021. A panel of 14 judges sifted through hundreds of products, rating them on innovativeness and relevance to REAL SIMPLE readers.

"From budgeting for the everyday to investing for the future, our Smart Money Awards honor the best of the best to help women navigate complicated money moments and plan for the future. As a leading authority on personal finance for women of all ages, we're committed to providing actionable solutions, new ideas, inspirational experiences, and more to our audience," said REAL SIMPLE Editor in Chief Liz Vaccariello.
