# PARENTS Announces Winners of Best for Baby Awards 2022

## Nearly 30 New Products for Babies Including Strollers, Bottles, Pajamas, and more

NEW YORK, Feb. 2, 2022 /**PRNewswire**/ -- Dotdash Meredith's **PARENTS** released its annual **Best for Baby Awards**, recognizing the best new products for every baby in 2022. Selected by PARENTS editors and family-approved, the list of winners is on **Parents.com/BestForBaby** and in the March issue of PARENTS, available February 4.

"PARENTS editors, experts, and real families shared their favorite everyday items that are practical, eco-friendly, and have cutting-edge technology to make life a little easier to help you and your baby through the first year and beyond," says PARENTS Editor in Chief Julia Edelstein.

PARENTS surveyed over 300 families to discover the baby gear they love most and find helpful for everyday ease. In addition, editors scoured the market for new and must-have products and had them road tested, vetted, and approved by experts and real families before deciding on 27 winners for PARENTS' Best for Baby Awards 2022.
