"The inaugural FOOD & WINE Global Tastemakers Awards will help our readers plan their destinations and itineraries to upgrade their experiences as they plan their trips for the year ahead. Congratulations to this year's honorees."

These awards aim to showcase the phenomenal places to eat and drink while traveling, starting from the airport, cruising the high seas, dining at your hotel, and exploring cities domestically and abroad.

"From airports and airlines to the hotels we stay in, the cities we explore and the cruises we take, food is a quintessential part of every aspect of travel," said FOOD & WINE Senior Editorial Director Sean Flynn. "Our readers are intrepid adventurers with a hunger for unique experiences, so it only made sense to tap our audience for their opinions on the places worth adding to your culinary bucket list."
