

Investopedia Announces Winners of the Best Credit Cards 2023 Awards

Capital One's Quicksilver Cash Rewards named best overall credit card

NEW YORK, May 24, 2023 /PRNewswire/ -- Today, Investopedia announced the winners of the Best Credit Cards 2023 Awards, highlighting the top cards for consumers across travel, rewards, cash back, online shopping, and more. Investopedia's experts reviewed over 50 data points across more than 300 credit cards, evaluating each on the factors that matter most to consumers. From rewards and fees, to security and interest, Investopedia's Best Credit Cards 2023 identifies the top cards for consumers across lifestyles, spending categories, and credit scores.

Investopedia's Best Credit Cards 2023 found the top cards across lifestyles, spending categories, and credit scores.

"Finding the right credit card is one of the most important personal financial decisions you can make, and one size does not fit all," said Caleb Silver, Investopedia's Editor in Chief. "Whether you're a shopper, a saver, a traveler, a student, or a small business owner, our team has identified the best credit cards to help you pick the one that suits your individual financial needs while earning rewards."
